

Bolton Safeguarding Children Partnership—Multi-agency Training

Forced Marriage & Honour Based Violence

Level — Intermediate

Information

The course is delivered by the Bolton Endeavour Project team and is for all who work with multi cultural children and families. It will increase awareness and knowledge of the cultural context which can lead to forced marriages and HBV, the action needed to be taken by you and your service and identify the help available.

Objectives

- Increase awareness of the cultural context of forced marriages and HBV; explore some of the myths
- Warning signs, vulnerabilities and barriers
- Local and national guidance and legislation
- Recognise the signs of forced marriage and how to respond
- Understand the role of professionals
- Understand your role and responsibility in responding to Forced Marriages
- What services exist to help victims of Forced Marriage
