

Bolton Safeguarding Children Partnership—Multi-agency Training

Domestic Abuse and Violence: Male Victims

N.B. Only one person/organisation due to limited places

Level — Intermediate

Information

1 in 6 men suffer domestic abuse in their lifetime and 1 in every 3 victims are male. There is a growing need to ensure men and their children receive the support they need by professionals and their local community.

Objectives

- Demonstrate an understanding of the use of “Weaponisation of Masculinity” within an abusive relationship
- Identify barriers to support by those experiencing Domestic Abuse and Violence
- Recognise the possible consequences of incorrect identification for male victims
- Describe good practice when working with male victims
