

Bolton Safeguarding Children Partnership—Multi-agency Training

Recognising and Responding to Domestic Abuse (Adults)

Level — Advanced

Information

This course is intended for practitioners and managers who have contact with adults, children and families where there are domestic abuse and child protection issues and require more in-depth knowledge of Domestic Abuse, guidance and support.

Objectives

- Identify the importance of collaborative working practices
- Explore how domestic abuse impacts on all victims
- Determine some of the barriers to seeking help
- Identify tools to plan effective support and intervention, including Early Help
- Demonstrate an understanding of the MARAC process
