

## Bolton Safeguarding Children Partnership—Multi-agency Training

### STORM Training

#### Suicide and Self Harm Intervention

#### Level — Advanced

**Information** This training is delivered by facilitators who have undergone training with STORM. The course will develop skills and confidence, appropriate to role, in order to help staff working with young people who may present with suicidal thoughts and/or self-harm.

*Registrations for the course will be reviewed for suitability of the applicant as places are very limited. This course must be suitable for your role.*

**\*Emotional Safety\***

This is an intensive course on an emotive subject where the training can cause some anxiety and be emotionally exhausting. We endeavour to provide a safe and supportive learning environment whilst encouraging and enabling participants to fully engage in the training but participation must be on a consent basis mindful of individuals emotional safety and wellbeing.

#### Objectives

- Develop a good understanding of self-harm
- Promote a positive and enabling approach
- Develop basic skills in assessment of risk & vulnerability using active observation of skills; skills practice (rehearsal); self-reflection and structured feedback
- Translation of skills into practice through discussion
- Short term safety planning
