

Bolton Safeguarding Children Partnership—Multi-agency Training

Coordinated Approach to Children Who Go Missing

Level — Intermediate

Information

This course looks at what ‘missing’ means, legislation, guidance and identifies risks and vulnerabilities of children who are missing. It considers why children go missing and what we can do together to prevent or reduce the risks when this occurs.

Objectives

- Know what ‘missing’ means in legislation and guidance
- Identify risks and vulnerabilities of children who are missing
- Understand why children go missing
- Consider what you can do to prevent or reduce the risks related to children going missing
