

## Bolton Safeguarding Children Partnership—Multi-agency Training

### Keeping Children Safe (Basic)

#### Level — Basic

#### Information

This training is classroom based and suitable for those doing this course for the first time. It is the required basic training for all staff that come into regular contact or have periods of irregular contact with children, young people, parents or carers during the course of their work, including staff from the voluntary, independent and private sectors.

You will need to renew your certification at least every three years which can be via the online course advertised in this brochure.

#### Objectives

- Understand the difference between safeguarding and child protection
- Identify some of the main signs and indicators of child abuse
- Recognise your responsibility when safeguarding children
- Familiarise with Bolton's Framework for Action
- Identify some of the main signs and indicators of child abuse
