

Bolton Safeguarding Children Partnership—Multi-agency Training

Female Genital Mutilation (FGM)

Level — Intermediate

Information

Female Genital Mutilation is suffered by 1000s of young girls and women. This training will help you understand why and how you can support children and families, raising awareness of signs, risk, attitudes, culture, beliefs and legislation when dealing with communities who are known to practice FGM and how to communicate and access support.

Objectives

- Raise awareness of FGM
- Highlight the signs and indicator of girls at risk of FGM
- Outline the consequences to girls from practising countries
- Outline professional duty to protect a girl at risk and resources available to do so
