

Bolton Safeguarding Children Partnership—Multi-agency Training

“Dad Matters”

Level — Intermediate

Information

“Dad Matters” is part of the Home Start offer and aims to help dads have successful relationships, engage with services make sure dads know how important they are to families and to support dads with anxiety, stress and mental health issues.

Please Note: This course is aimed at professionals working with families during the perinatal period (generally the period of time when a lady becomes pregnant and up to a year after giving birth)

Objectives

- Explain how "Dad Matters" hope to get dads engaged with services that have traditionally been targeted at mums, and to train & support staff.
- Increase knowledge as to work directly with services that support Dads, families
- Familiarise how to increase engagement and knowledge across the sector for Dads involvement, especially with babies
