

Bolton Safeguarding Children Partnership—Multi-agency Training

Keeping Children Safe (Basic)

Level — T4T

Information

You must have completed the **Keeping Children Safe (advanced)** training or Level 3 equivalent (in date) and have 12 months experience in the DSL, Deputy DSL or equivalent role to complete.

The training is for suitable and experienced Designated Safeguarding Leads or similar who are confident to deliver training within their organisation. The training pack will be delivered to attending delegates with a view to them receiving all resources and cascading in their own agencies.

Objectives

- Fulfil objectives to meet Basic Children Safeguarding Training
 1. Understand the difference between safeguarding and child protection
 2. Identify some of the main signs and indicators of child abuse
 3. Recognise your responsibility when safeguarding children
 4. Familiarise with Bolton's Framework For Action
- Understand the online registration process for all trainers
- Investigate and become familiar with necessary resources

When delivered to their own agencies the session is expected to last around 2.5 hrs -3 hrs
