

Bolton Safeguarding Children Partnership—Multi-agency Training

Child Exploitation (Intermediate)

Level — Intermediate

Information

This course is a build on the basic understanding of Child Exploitation provided in the BSCP [Knowledge Nugget](#) and covers the topics of Criminal, Sexual and Modern Day Slavery in more depth. This training will give staff the knowledge of how victims are groomed and vulnerable together with procedures in Bolton.

Objectives

- Understand the different forms of exploitation
- Increase awareness of recognising exploitation
- Recognise and understand the grooming of victims
- Understand who is targeted by perpetrators and why
- Know how to respond to your concerns and who you can contact
